I've been driving for 18 hours straight. Going to sleep for 6 hours at a motel then get back on the highway. I rented a new Cadillac Escalade with unlimited mileage. When I arrive in DC I have a inflated mattress in the back, 2 coolers full of food and a portable coffeemaker. (twitter.com)

3 Yeah I would park in affluent suburbs. PITA to park in tiny dc parking garages too.

2 DC currently has a plethora of walking urinals for you to use! They smell slightly of piss but they do in a pinch. Look for fragile frames robed in black hoodies with "Anti-Fa" signs.
